I. COMPOSITION OF THE COUNCIL

Introduction

This handbook is updated annually to help councillors understand how they can best be prepared to participate in the annual meeting. The councillor who knows how the Council functions, who takes the time to understand issues affecting the College and the specialty, and who makes a point of talking with individual candidates for office about their objectives is a model representative.

What is the Council?

The Council is a body composed of emergency physicians who directly represent the 53 chartered chapters of the American College of Emergency Physicians, the Emergency Medicine Residents' Association (EMRA), the Association of Academic Chairs in Emergency Medicine (AACEM), the American College of Osteopathic Emergency Physicians (ACOEP), the Council of Emergency Medicine Residency Directors (CORD), the Society for Academic Emergency Medicine (SAEM), and the College's sections of membership. The Council meets annually, just prior to the ACEP annual meeting. The Council may meet more often, but special meetings must be duly called as specified in the ACEP Bylaws.

The number of councillors who represent a chapter in a given year is determined by the number of ACEP members in that chapter on December 31 each year. Each chapter is represented by at least one councillor; an additional councillor is allowed for each 100 members in the chapter. EMRA is allocated eight voting councillors; AACEM, ACOEP, CORD, and SAEM, are each allocated one voting councillor; and each section of membership is allocated one voting councillor.

What Does the Council Do?

The Council elects the Board of Directors, Council officers, and the president-elect of the College. The Council shares responsibility with the Board of Directors for initiating policy, and councillors shape the strategic plan of the College by providing comments on behalf of the constituencies they represent. The Council also provides a participatory environment where policies already established or under consideration by the Board of Directors can be debated.

So that the Board of Directors can manage change for the good of the membership, the specialty, and the public, the Council serves as a sounding board and communication network. Councillors are expected to be aware of environmental changes, see association goals as essential to the continued vitality of the specialty, and understand the rationale behind decisions made by the Board of Directors.

The Council officers (speaker and vice speaker) chair the annual meeting and participate in all meetings of the Board of Directors as representatives of the Council.

II. COUNCILLOR PREPARATION

How Does a Councillor Prepare for the Annual Meeting?

Councillors are certified by their component body (chapter, EMRA, AACEM, ACOEP, CORD, SAEM, or section) no later than 60 days before the annual meeting. Component bodies are also referred to as sponsoring bodies in the Bylaws.

Comprehensive materials are distributed to councillors at least 30 days before the annual meeting. These materials contain the meeting agenda, current strategic plan, minutes of the previous annual meeting, and annual committee reports. All resolutions submitted by the deadline are also provided with background information and cost implications developed by staff.

Councillors are expected to review the materials carefully and to meet with the leadership of the component bodies they represent to discuss issues that will be addressed at the annual meeting. The component body leadership may want to instruct the councillor on how to vote on various resolutions, but the councillor should be open to receiving additional information at the meeting and then make the best decision on behalf of the College.

How Does the Council Conduct its Business?

Regular business or business casual attire is appropriate for the Council meeting.

Most of the work of the Council is conducted in Reference Committee hearings. The hearings provide a system for gathering information and expediting business. Each resolution submitted to the Council is referred to a Reference Committee, which holds a hearing to gather information from all interested councillors and other College members. The Reference Committees then recommend a specific course of action for the Council on each resolution. Reference Committees are composed of councillors selected by the Council officers. Guidelines for reference committee hearings are provided on pages 5-7. All Reference Committee meetings are open to the membership, except for the executive session. When the executive session is called, the chair will inform the audience of the time frame of the session.

As previously stated, the Council elects the Board of Directors, Council officers, and the president-elect; initiates policy; and shapes the strategic plan of the College. The Council also identifies issues for study and evaluation by the Board and the committees of the Board. There is usually a tremendous amount of business to be conducted during the two-day meeting and several tools are used to facilitate that business.

The Bylaws of the College specifies basic procedures that must be followed by the Council. These procedures include how nominations and elections must be conducted, how resolutions must be submitted and handled, and how the Bylaws may be amended. The most current Bylaws are provided with the Council meeting materials.

Standing Rules for the conduct of the meeting change little, if any, from one year to the next and cover general procedures such as how debate, credentialing, and elections will be handled. The Standing Rules are amendable only by resolution. The most current Standing Rules are provided with the Council meeting materials.

Except when superseded by the Bylaws or the Standing Rules, the rules in *The Standard Code of Parliamentary Procedure 4th edition* (also known as *Sturgis*) govern the Council in all applicable cases. A chart describing parliamentary rules is provided on pages 16-17.

A councillor is not expected to memorize the Bylaws, Standing Rules, or *Sturgis*; however, a quick review of these documents will give the first-time councillor a basic understanding of how business is conducted on the floor of the Council. The most important rule that a councillor should remember is that a “point of personal privilege” is always in order. If a councillor does not understand what is happening, the point of personal privilege should be used to request clarification. An orientation session is always held the night before the Council meeting and the basics of parliamentary procedure are reviewed.

What is a Resolution?

New policies and changes to existing policy are recommended to the Council in the form of resolutions. Resolutions usually pertain to issues affecting the practice of emergency medicine, advocacy and regulatory issues, Bylaws amendments, Council Standing Rules amendments, and College Manual amendments.

“Resolutions” are considered formal motions that if adopted will become official Council policy and will apply not only to the present meeting but also to future business of the Council.

Resolutions must be submitted in writing by at least two members on or before 90-days prior to the annual Council meeting. These resolutions are known as “regular resolutions.” Resolutions may also be submitted by chapters, sections, committees, or the Board of Directors. Resolutions sponsored by a chapter or section must be accompanied by an endorsement of the sponsoring body. Resolutions sponsored by national ACEP committees must first be approved by the Board of Directors for submission to the Council. Upon approval by the Board, the resolution will then include the endorsement of the committee and the Board. Regular resolutions will be referred to an appropriate Reference Committee for consideration.

Amendments to Resolutions

All motions for substantial amendments to resolutions must be submitted to the speaker in writing prior to being introduced verbally. When appropriate, the amendment will be projected on a screen for viewing by the Council.

Late Resolutions

Resolutions submitted after the 90-day submission deadline, but not less than 24 hours prior to the beginning of the annual Council meeting, are known as “late resolutions.” Late resolutions are considered by the Steering Committee at its meeting on the evening prior to the opening of the annual Council meeting. The Steering Committee is empowered to decide whether a late submission is justified. Late submission is justified when events giving rise to the resolution occur after the filing deadline for resolutions. If a majority of the voting members of the Steering Committee vote to waive the filing and transmittal requirements, the resolution is presented to the Council at its opening session and assigned to a Reference Committee. When the Steering Committee votes unfavorably, the reason for such action shall be reported to the Council at its opening session. Disallowed late resolutions are not considered by the Council unless the Council, by a majority vote of councillors present and voting, overrides the Steering Committee’s recommendation.

Emergency Resolutions

Resolutions submitted less than 24 hours prior to, or after the beginning of the annual Council meeting, are known as “emergency resolutions.” Emergency resolutions are limited to substantive issues that could not have been considered by the Steering Committee prior to the Council meeting because of their acute nature, or resolutions of commendation that become appropriate during the course of the Council meeting.

Emergency resolutions must be submitted in writing to the speaker who will then present the resolution to the Council for its consideration. The originator of the resolution, when recognized by the chair, may give a one-minute summary of the emergency resolution to enable the councillors to determine the importance of the resolution. Without debate, a majority vote of the councillors present and voting is required to accept the emergency resolution for floor debate and action. If an emergency resolution is introduced prior to the beginning of the Reference Committee hearings, upon acceptance by the Council, it will be referred to the appropriate Reference Committee. If an emergency resolution is introduced and accepted after the Reference Committee hearings, the resolution will be debated on the floor of the Council at a time chosen by the speaker.

What if I Have Questions About the Council?

Questions about the Council can be directed to national ACEP staff in the Office of the Executive Director. They work closely with the Council officers in planning and executing the annual meeting and helping members to develop resolutions for consideration by the Council. [Information about the Council](#), including important dates regarding the annual Council meeting, are posted on the ACEP website.

How are Nominations and Elections Conducted?

Each year the Council elects four members to the Board of Directors to terms of three years. The Council speaker and vice-speaker, who serve two-year terms, are elected by the Council every other year. The Council also elects the president-elect of the College annually for a one-year term.

Nomination procedures and the composition of the nominating committees are specified in the Bylaws. Councillors may submit nominations from the floor at the annual meeting, but nominations are closed on the first day of the annual meeting. Closing the nominations assures that all candidates will have the opportunity to share their viewpoints during an open forum with councillors. The elections are the last item of business on the second day of the Council meeting. The Tellers, Credentials, & Elections Committee, which is appointed by the Council officers, conducts the elections. A majority of votes cast is required for election. Election procedures are described in the Council Standing Rules and the Bylaws.

With the exception of the president-elect, the Board of Directors elects its own officers (chair, vice presidents,

and secretary-treasurer) each year during the first Board meeting after the Council meeting.

Each year a Candidate Forum is held. The Candidate Forum for the president-elect candidates is held in the main Council meeting room following the Town Hall meeting. The Candidate Forum for the Council officer candidates (every other year) and Board of Directors candidates is held in each of the Reference Committee meeting rooms with the candidates rotating between rooms. Members of the Candidate Forum Subcommittee moderate each session with the candidates. Candidates answer questions and declare their views on issues facing emergency medicine. An informal reception is held for members to personally meet and speak with candidates. All councillors are encouraged to attend the Candidate Forum and the reception that follows.

The Candidate Campaign Rules prohibit the scheduling of candidate receptions by any component body during the annual Council meeting. This position was adopted by the Council and the Board of Directors.

What is the Steering Committee?

The Council officers appoint the members of the Steering Committee. The Steering Committee conducts the business of the Council between the annual meeting. Attempts are made to limit service on the committee to two years, with about half of the committee membership replaced each year. Care is taken to assure adequate geographic representation on the committee.

The Steering Committee may identify resolution topics to stimulate discussion of key issues by the Council, plans the Council agenda, and advises and assists the Council officers with meeting logistics. The Steering Committee has the authority, rarely invoked, to take positions on behalf of the Council subject to ratification by the Council at the next annual meeting. Members of the Council Steering are listed [here](#) on the ACEP website.

III. COUNCIL REFERENCE COMMITTEES

The duty of a Reference Committee is to hold hearings, deliberate on various resolutions and proposals, and recommend a particular course of action on each to the Council.

It may not be possible for each councillor to be fully informed or to have an opinion on every resolution. Therefore, the Reference Committee is designated to investigate and deliberate on the issues. By dividing the proposals between several Reference Committees, the Council can transact more business than if the entire Council had to discuss all of the pros and cons of each resolution.

Members of the Reference Committees are appointed by the speaker. They are chosen on the basis of their activities in the College and their expertise on particular issues. They are not chosen because of their stand on particular issues.

Asynchronous Testimony

Resolutions that have been submitted by the deadline and assigned to a Reference Committee will be available for asynchronous testimony on the ACEP website not less than 30 days prior to the Council meeting. [Important dates regarding the annual Council meeting](#) are posted on the ACEP website. Asynchronous testimony is open to all members of the College.

Comments posted as online testimony are prohibited from being copied and pasted as comments in other forums and/or used in a manner in which the comments could be taken out of context. By participating in this asynchronous testimony, all members acknowledge and agree to abide by ACEP's [Meeting Conduct Policy](#). Please include the following information when commenting:

1. Whether you are commenting on behalf of yourself or your component body (i.e., chapter, section, AACEM, CORD, EMRA, or SAEM).
2. Whether you are commenting in support of the resolution, opposed to the resolution, or suggesting an amendment.
3. Any additional information to support your position.

Comments should be concise so as to not exceed an equivalent of 2 minutes of oral testimony. Comments from the asynchronous testimony will be used to develop preliminary Reference Committee reports.

The asynchronous platform is the only method to introduce testimony until the live Reference Committee meetings. Opinions posted elsewhere will not be considered in the Reference Committee deliberations. Proper Council decorum is expected within the asynchronous testimony platform. All comments should be addressed to the Reference Committee Chair or the Speaker. **Do not direct any communications to another member, including those who have posted before you, with whom you may or may not agree.** The Council Speaker and Vice Speaker will do their best to monitor testimony and encourage corrections to any breaches.

Procedures

The preliminary Reference Committee reports will be the starting point for the Reference Committee hearings that occur on the first day of the Council meeting. The testimony heard in Reference Committee hearings will be added to the asynchronous testimony to form the consent report submitted to the Council.

Reference Committee hearings are open to all members of the College, its committees, and invited guests of the Reference Committee. Members of the College, its committees, and/or invited guests are privileged to present written testimony or to speak to the committee on the resolution under consideration. Non-members may be permitted to speak upon recognition by the chair. The chair is privileged to call upon anyone attending the hearing if the individual may have information that would be helpful to the committee.

The Reference Committee hearings are held **concurrently** on the first day of the Council meeting. Written testimony may be submitted to the Reference Committee if time overlaps occur.

Proceedings

Equitable hearings are the responsibility of the Reference Committee chair. The committee may establish its own rules on the presentation of testimony with respect to limitations of time, repetitive statements, etc. The Reference Committee hearing is the proper forum for discussion of controversial items of business. While it is recognized that the concurrence of Reference Committee hearings may create difficulties in this respect, as does service by councillors on other Reference Committees, the submission of written testimony can alleviate these problems. In the event of extensive written testimony, the Reference Committee chair will report to the Reference Committee the number of written testimony received in favor and in opposition to the resolution. The Reference Committee chair has the discretion to read any written testimony, especially testimony that provides information not previously presented in other written or in-person testimony. All written testimony will be made available electronically to the Council unless determined by the Speaker to contain inaccurate information or inappropriate comments. The reading of any written testimony shall not exceed the time limits set by the chair for providing testimony on any particular resolution.

The chair will decide the order and/or grouping of resolutions and will post times to start each discussion. Before beginning discussion on the first resolution, the chair will ask if there is a “pressing need” for any resolutions to be taken out of order to allow individuals to provide testimony to a particular issue.

Determination of a “pressing need” will be left to the discretion of the chair. The chair will ask if the primary author(s) of the resolution is present or if another individual is present who may speak to the intent of the resolution, and if the individual wishes to provide guidance to the committee. Reference Committees may take brief breaks if the chair determines that time is available. The Reference Committee chair is requested to designate a member of the committee to keep track of all pro and con comments pertaining to each resolution.

If an individual arrives to present testimony before or after the time the resolution was scheduled for discussion, it is at the discretion of the chair as to when that member may speak to the resolution. When presenting testimony, the individual should state their name, component body, and whether speaking in support of or against the resolution. No one should speak more than once on a resolution unless it is to clarify a point. Prior to closing debate, the chair will ask Board members, officers, staff, and others with particular expertise for their testimony.

Following the open hearing and after all testimony is given, the Reference Committee will go into executive session to deliberate and construct its final report. Others are permitted to be in attendance only upon approval

from the chair and may not address the committee unless requested by the chair for clarification of testimony or to answer questions by committee members.

Reports

Reference Committee reports comprise the bulk of the official business of the Council. The reports need to be constructed swiftly and succinctly after completion of the hearing so that they can be processed and made available to the councillors as far in advance of formal presentation as possible. Reference Committees have wide latitude in facilitating expression of the will of the majority on the matters before them and in giving credence to the testimony they hear. They may amend resolutions, consolidate kindred resolutions by constructing substitutes, and recommend the usual parliamentary procedures for disposition of the business before them, such as adoption, not for adoption, amendment, and referral. Minority reports from Reference Committees are in order.

When the Reference Committee presents its report to the Council, each report or resolution that has been accepted by the Council as its business is the matter which is before the Council for disposition together with the committee's recommendation in that regard. If a number of closely related items have been considered by the committee and consolidation or substitution is proposed by the committee, the substitute resolution will be the matter before the Council for discussion.

Each item referred to a Reference Committee will be placed on a consent agenda grouped by the recommended action and is reported to the Council as follows:

1. identify the resolution by number and title
2. state concisely the committee's recommendation
3. comment, as appropriate, on the testimony presented at the hearing
4. incorporate evidence supporting the recommendation of the committee

Each Reference Committee will make recommendations on each resolution assigned to it in a written report. The speaker will open for discussion each resolution or matter which is the immediate subject of the Reference Committee report. The effect is to permit full consideration of the business at hand, unrestricted to any specific motion for its disposal. Any appropriate motion for amendment or disposition may be made from the floor. In the absence of such a motion, the speaker will state the question and provide the recommendation of the Reference Committee. If the recommendation is referral or amended language, the primary motion on the table is the recommendation of the Reference Committee.

Examples of our common variants employing the procedure are:

1. The Reference Committee recommends that a resolution not be adopted. The speaker places the resolution before the Council for discussion. In the absence of other motions from the floor, the speaker places the question on adoption of the resolution, making it clear that the Reference Committee has recommended that it not be adopted (a negative vote).
2. The Reference Committee recommends amending a resolution by adding, striking out, inserting, or substituting. The matter that is placed before the Council for discussion is the amended version as presented by the Reference Committee together with the recommendation for its adoption. It is then in order for the Council to apply to this Reference Committee version amendments in the usual fashion. Such procedure is clear and orderly and does not preclude the possibility that an individual may wish to restore the matter to its original unamended form. This may be accomplished quite simply by moving to amend the Reference Committee version by restoring the original language.
3. The Reference Committee recommends referral of a resolution to the Board of Directors, Council Steering Committee, or Bylaws Interpretation Committee of the College. The speaker places the motion to refer before the Council for discussion. Adoption of the motion to refer removes the matter from consideration by the Council. If the motion to refer is not adopted, the resolution comes before the body for discussion. The Council is then free to adopt, not adopt, or amend the resolution.

4. The Reference Committee recommends consolidation of two or more kindred resolutions into a single resolution, or it recommends adoption of one of these items in its own right as a substitute for the rest. The matter before the Council consideration is the recommendation of the Reference Committee or the substitute or consolidate version. A motion to adopt this substitute is the main motion. If the Reference Committee's version is not adopted the entire group of proposals has been rejected but it is in order for any councillor to then propose consideration and adoption of any one of the original resolutions or reports.

IV. GUIDELINES AND DEFINITIONS OF COUNCIL ACTIONS TO ASSIST THE COUNCIL IN CONSIDERING REPORTS OF REFERENCE COMMITTEES.

Summary of Council Actions on Reference Committee Reports

Matter Before the Council for Discussion from the Reference Committee's Report	Reference Committee's Recommendation	Speaker Action (Failing Council Action)
Original Resolution	1.To adopt or to not adopt	Puts question on adoption, clearly stating the Reference Committee's recommendation
Original Resolution	2. To refer	Puts question on referral
Committee Substitute (amending original by adding, striking out, inserting, or substituting)	3. To adopt	Puts question on adoption of the committee's substitute resolution
Committee Substitute Resolution (combining several like resolutions)	4. To adopt	Puts question on adoption of the committee's substitute resolution

Definition of Council Action

For the ACEP Board of Directors to act in accordance with the wishes of the Council, the actions of the Council must be definitive. To avoid any misunderstanding, the officers have developed the following definitions for Council action:

ADOPT

Approve resolution as recommendation implemented through the Board of Directors

ADOPT AS AMENDED

Approve resolution with additions, deletions and/or substitutions, as recommendation to be implemented through the Board of Directors.

REFER

Send resolution to the Board of Directors for consideration, perhaps by a committee, the Council Steering Committee, or the Bylaws Interpretation Committee.

NOT ADOPT

Defeat (or reject) resolution in original or amended form.
